Dubai: Eleven people were injured in two separate accidents yesterday morning in Dubai.

Police said the first accident took place at around 6am on a crossing between Beirut and Halab roads when a speeding car allegedly jumped a red light and crashed into a pick-up.

Five people in the pick-up were injured, two of them seriously. The driver of the car sustained minor injuries, a traffic police spokesman said.

The seriously injured were airlifted for medical treatment by the Dubai Police air wing rescue unit.

The second accident occurred at around 8sam when a driver allegedly lost control of his minibus, swerved and hit a truck. The crash took place on Emirates Road past Al Rashidiya Bridge. Two people were severely injured and three were moderately injured, he said.
